NOTES:

1. Pursuant to the General Circulars No.14/2020, 17/2020, 20/2020, 2/2021, 19/2021, 21/2021, 2/2022 and 10/2022 and 09/2023 dated April 08, 2020, April 13, 2020, May 05, 2020, January 13, 2021, December 08, 2021, December 14, 2021, May 05, 2022, December 8, 2022 and September 25, 2023 respectively (collectively referred to as "MCA Circulars") allowing, inter-alia, to conduct Annual General Meeting ("AGM") through Video Conferencing/ Other Audio-Visual Means ("VC/ OAVM") facility. In compliance with these Circulars, provisions of the Companies Act, 2013 ("the Act") and the Securities and Exchange Board of India ("SEBI") vide its circular No. SEBI/HO/CFD/PoD-2/P/CIR/2023/167 dated October 07, 2023 read with Circular Dated January 05, 2023, May 13, 2022, January 15, 2021 and May 12, 2020 ("SEBI Circulars"), the 27th Annual General Meeting ('AGM'/ 'the meeting') AGM of the Company is being conducted through VC/ OAVM facility, which does not require physical presence of Members at a common venue. The deemed venue for the 27th AGM shall be the Registered Office of the Company.
2. Generally, a member entitled to attend and vote at the meeting is entitled to appoint a proxy to attend and vote on a poll instead of himself and the proxy need not be a member of the Company. Since this AGM is being held through VC / OAVM pursuant to the aforementioned Circulars, physical attendance of members has been dispensed with. Accordingly, the facility for appointment of proxies by the members will not be available for the AGM and hence the Proxy Form and Attendance Slip are not annexed hereto. However, in pursuance of Section 112 and Section 113 of the Companies Act, 2013, representatives of the members such as the President of India or the Governor of a State or body corporate can attend the AGM through VC/OAVM and cast their votes through e-voting.
3. An Explanatory Statement pursuant to Section 102 of the Companies Act, 2013 read with the Companies (Management and Administration) Rules, 2014, setting out the material facts and reasons for the resolutions in respect of the special businesses set out above is annexed hereto.
4. The relevant details as required under Regulation 36(3) of Securities Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations') and Secretarial Standard on General Meetings ('SS-2'), issued by the Institute of Company Secretaries of India, in respect of Directors seeking appointment/reappointment at this Annual General Meeting is also annexed as Annexure-A.
5. Since the AGM will be held through VC/ OAVM, the route map of the venue of the Meeting is not annexed hereto.
6. The Company is pleased to provide two-way VC facility through VC / OAVM.
7. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of Listing Regulations (as amended), and MCA Circulars the Company is providing facility of remote e voting to its Members in respect of the businesses to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e voting as well as the e-voting system during the AGM will be provided by CDSL.
8. The Members can join the AGM in the VC/OAVM mode 30 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available the members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.

9. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.
10. In case of joint holders attending the meeting, only such joint holder who is higher in the order of names will be entitled to vote at the Meeting.
11. The Voting rights of Members shall be in proportion to their shares of the paid-up Equity Share Capital of the Company as on Cut-off Date of **19th September, 2024**.
12. Institutional/Corporate members (i.e., other than individuals/HUF, NRI etc.) are required to send a scanned copy (PDF/ JPEG format) of its Board or Governing Body resolution/authorization etc. authorizing its representative to attend the AGM through VC/OAVM on its behalf and to vote through remote e-voting pursuant to section 113 of the Act. The said resolution/authorization shall be sent to the Company via email through its registered email address at cs@abcotspin.in with a copy to office@drassociate.org.

DISPATCH OF ANNUAL REPORT THROUGH ELECTRONIC MODE

13. In compliance with the Circulars, the Notice of the AGM along with the Annual Report 2023-24 is being sent only through electronic mode to those Members whose email addresses are registered with the Company/ Depositories. Any member seeking hard copy of the same may write to us at cs@abcotspin.in.
14. In line with the Circulars, the Notice calling the AGM has been uploaded on the website of the Company at www.abcotspin.co.in. The Notice can also be accessed from the websites of the Stock Exchange i.e., NSE Limited at www.nseindia.com. The AGM Notice is also disseminated on the website of CDSL (agency for providing the Remote e-Voting facility and e-voting system during the AGM) i.e., www.evotingindia.com.
15. Member(s) may also note that the Notice of the Meeting and the Annual Report for FY 2023-24 will also be available on the Company's website www.abcotspin.co.in.
16. For receiving all communication (including Annual Report) from the Company electronically:
 - a) Members holding shares in physical mode and who have not registered / updated their email address with the Company are requested to register / update the same by sending signed request letter mentioning your name, email-id, folio number, number of shares held, certificate number, distinctive number and Complete Address along with self-attested copy of PAN card to the Company's Registrar and Share Transfer Agent i.e. Link Intime India Private Limited on rnt.helpdesk@linkintime.co.in.
 - b) Members holding shares in dematerialised mode are requested to register / update their email addresses with the relevant Depository Participant.

17. INTRUCTIONS FOR SHAREHOLDRES FOR REMOTE E-VOTING ARE AS UNDER:

- (i) The voting period begins on 23rd September, 2024 at 9.00 A.M. and ends on 25th September, 2024 at 5.00 P.M. During this period shareholders of the Company, as on the cut-off date (**record date**) of **19th September, 2024** may cast their vote electronically. The e voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Listing Regulations, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders'

resolutions. However, it has been observed that the participation by the public non institutional shareholders/ retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/ CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by the Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Explanatory Statement pursuant to Section 102(1) of the Companies Act, 2013

The following Statement sets out all the material facts relating to the Special Businesses mentioned in the accompanying Notice:

Item No. 3

Pursuant to section 148 of the Companies Act, 2013 ("Act") read with the Companies (Cost Records & Audit) Rules, 2014 ("Rules"), the Company is required to have its cost records audited by a cost accountant in practice. Accordingly, the board of directors ("Board") of the Company, on the recommendation of audit committee, at its meeting held on August 23, 2024, approved the appointment of M/s Jain Sharma & Associates (Firm Registration No.: 000270), as the cost auditors to conduct the audit of cost records maintained by the Company for the financial year ending March 31, 2025 at a remuneration of Rs.30,000/- (Rupees Thirty Thousand Only) plus applicable taxes, if any. The proposed remuneration of cost auditors for the financial year 2024-25 is in line with the guidelines issued by the Institute of Cost Accountants of India on remuneration of Cost Auditors.

Further, in accordance with the provisions of section 148(3) of the Act read with Rules, the remuneration payable to the cost auditor needs to be ratified by the members of the Company at a general meeting. Accordingly, consent of the members is being sought for ratification of the remuneration payable to the Cost Auditors for the financial year ending March 31, 2025.

The Board recommends the resolution as set out at Item no. 03 for ratification by the members of the Company by way of an ordinary resolution.

None of the directors and key managerial personnel of the Company and/or their respective relatives are in any way, concerned or interested, financially or otherwise, in the said resolution.

Item No. 4

Mr. Ramesh Kumar (DIN: 07684009) was appointed as Non-Executive Director of the Company by the Board of Directors in its meeting held on 02.03.2020 and subsequently regularised by the members of the Company in their 23rd Annual General Meeting held on 31.12.2020.

In Financial year 2022-23, upon completion of audit and approval of the annual audited financials, the remuneration paid during the financial year 2022-23, turned out to be in excess of the limits envisaged under the provisions of Section 197 read with schedule V of the Companies Act, 2013 ("Act").

Accordingly, a part of the remuneration paid to him during the financial year 2022-23 amounting to Rs. 1.94 lakhs, over and above the limits mentioned in Section 197 of the Act, being treated as excess remuneration.

Pursuant to Section 197(10) of the Act, the members of the Company have been empowered to waive the recovery of excess remuneration by passing a special resolution.

The management of the Company believes that the remuneration paid to Mr. Ramesh Kumar was very modest and in line with the consistent policies of the Company over years and less than the industry standards and therefore it is just that the excess remuneration be waived off.

The Company has not defaulted in payment of dues to any bank or public financial institution or non-convertible debenture holders or other secured creditor, if any.

The Nomination & Remuneration Committee, Audit Committee and the Board have at their respective meeting(s) held on August 23, 2024, subject to the approval of the members of the Company, accorded their approvals for waiver of the recovery of excess remuneration paid by the Company to Mr. Ramesh Kumar, in the interest of the Company and have recommended the aforesaid resolution as set out in this Notice for approval of the Members.

The Board of Directors recommend passing of the Special Resolution as set out in Item No. 4 of this Notice. Accordingly, it is proposed that approval of the members of the Company by way of a Special Resolution be obtained for the waiver of recovery of the excess remuneration paid to Mr. Ramesh Kumar.

Save and except Mr. Ramesh Kumar and his relatives to the extent of their respective shareholding interest, if any, in the Company for Item no. 4, none of the other Directors / Key Managerial Personnel and their relatives are in any way, concerned or interested, financially or otherwise, in the resolution set out in Item no. 4.

Item No. 5

The competitive business environment in which the Company operates has grown more demanding. Stringent and rigorous corporate governance norms have become the norm, adding to the complexity of the directors' roles. This complexity is coupled with an increased focus on risk management and the need for robust oversight. The role and responsibilities assigned to directors have undergone a substantial transformation in recent times due to various factors. The Company's operations have expanded significantly, necessitating a higher level of oversight and strategic inputs from directors. This expansion in activities is further complicated by the rapid evolution of legal and regulatory provisions and requirements, which have placed additional demands on the directors to ensure compliance and ethical governance.

Recognizing these evolving dynamics and the resultant responsibilities placed on directors, the Board in its meeting held on August 23, 2024, on the recommendation of nomination & remuneration committee and the audit committee, has proposed to increase in remuneration payable to Non-Executive Non-Independent Directors of the Company in excess of 1% of total net profit of the Company computed in accordance with the provision of Section 198 of the Companies Act, 2013 but shall not exceed INR 20,00,000/- per annum, effective from the financial year 2024-25. The payment of such remuneration shall be in addition to the sitting fees for attending Board/Committee meetings and reimbursement of the expenses for attending meetings of the Board and its committee thereof, as permissible under the Companies Act, 2013 and/ or the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Accordingly, the Board recommends the resolution as set out at item no. 5 for the approval of the members of the Company as Special Resolution.

Save and except Non-Executive Non-Independent Director of the Company and their relatives to the extent of their respective shareholding interest, if any, in the Company for Item no. 5, none of the other Directors / Key Managerial Personnel and their relatives are in any way, concerned or interested, financially or otherwise, in the resolution set out in Item no. 5.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

We are primarily engaged in manufacturing of cotton yarn, knitted fabric, cottonseed oil and oilcakes. Our Company commenced its business in 1997 with a cotton ginning plant with cotton bales and cotton seeds being our initial products. Thereafter in the year 2000, we installed a crushing unit to extract oil from cotton and mustard seeds and expanded our product basket with the addition of cotton seed oil, mustard oil and oil cake. In the year 2011, we ventured in manufacturing cotton yarn by setting up a spinning plant. In the year 2014 we installed a knitting machine and thus forayed into manufacturing of knitted fabric. With our expansion over the years under the guidance of our management, we have been able to generate revenue from operations of Rs. 25,576.55 lakhs during the financial year 2023-24.

INDUSTRY STRUCTURE AND DEVELOPMENTS

The textile industry in India occupies a unique and pivotal position within the nation's economy. As one of the earliest industries to take root in the country, it stands as the second-largest employer, surpassed only by agriculture. By addressing a fundamental human need, the textile industry plays a crucial role in improving quality of life through its sustained development.

What distinguishes this sector is its comprehensive self-sufficiency, encompassing the entire production chain—from raw materials to finished products—with significant value added at each stage. This self-reliance not only strengthens economic resilience but also guarantees a consistent supply of textiles, vital for satisfying domestic demands and exploring export opportunities, thereby making a substantial contribution to the national economy.

Additionally, the textile industry has tremendous potential to generate employment across various domains, including agriculture, manufacturing, organized, and decentralized sectors, reaching both rural and urban areas. It particularly creates opportunities for women and marginalized groups, offering pathways to livelihood and advancement.

Beyond its economic impact, the textile industry is instrumental in preserving and celebrating India's rich cultural heritage. The diverse range of traditional textiles and crafts reflects the country's vibrant history and artistic legacy. By supporting these age-old crafts, the industry helps conserve traditional knowledge and skills, ensuring they are passed down to future generations.

Moreover, the sector's growing focus on sustainability and innovation has led to the adoption of environmentally friendly manufacturing processes and the promotion of eco-conscious consumerism. As global awareness of environmental issues increases, India's dedication to sustainable textiles positions it as a responsible and forward-thinking player in the global market.

In essence, India's textile industry not only plays a critical role in the economy but also serves as a custodian of cultural heritage, a proponent of sustainable practices, and a catalyst for social progress by providing diverse employment opportunities. Its ongoing growth and development are poised to enhance India's prosperity and global reputation in the years ahead.

GLOBAL ECONOMY

The global economy demonstrated strong resilience in 2023, gradually navigating through an uncertain environment. The global economy recovered from the after-effects of the pandemic, the Russia-Ukraine war, and a global energy crisis. Inflation began to stabilise after a period of disruptions, moving closer to target levels across the world in 2023.

Central banks raised interest rates to curb inflation during the year, however, the positive supply trends kept the global economy on a growth path. The global headline inflation, which stood at 6.8% in 2023, is expected to decline to 5.9% in 2024, and then to 4.5% in 2025.

According to the International Monetary Fund (IMF), the global economy grew at a growth rate of 3.2% in 2023, with similar figures projected for 2024 and 2025. Geopolitical issues like the Red Sea crisis and Israel-Palestine tensions disrupted supply chains across the globe in 2023. Despite challenges like reduced productivity, higher borrowing costs, and reduced fiscal support, the global economy has shown remarkable ability to withstand such challenges and is poised for steady growth in the upcoming years. Advanced economies played a pivotal role in sustaining global resilience during the year. Despite considerable monetary Management Discussion and Analysis tightening, they continued to benefit from steady employment growth and a revival in consumer confidence during 2023. Such trend provided crucial support to the global economy and increased the overall growth momentum. In the United States, growth exceeded pre-pandemic levels, indicating robust demand and robust economic fundamentals. The Euro Area is projected to grow steadily in 2024, even while dealing with ongoing tight monetary policies and high energy costs.

In 2023, despite geopolitical tensions, high public debt, and unstable inflation rates, emerging market and developing economies (EMDE) found new avenues for economic growth. The EMDEs capitalised on shifts in global supply chains and increased trade flows, which contributed to the future adaptability and growth. The EMDEs are expected to maintain steady growth in future, with an estimated rate of 4.3% for 2023 and 4.2% for both 2024 and 2025.

The outlook for the global economy has remained cautiously optimistic, with steady growth anticipated in the coming period as markets adapt and businesses embrace innovation and enhance flexibility. The countries around the world are expected to focus on medium-term fiscal consolidation and promote multilateral cooperation over the coming period. Such a strategy would aid in overcoming the current challenges and build a strong foundation for sustained economic growth and development.

INDIAN ECONOMY

In recent years, the Indian economy has weathered global headwinds and emerged as a beacon of resilience. The country's enhanced physical infrastructure, digital and payment technologies advancements, improved ease of doing business, higher labour force participation, and better quality of fiscal spending have all contributed to India's impressive growth potential during FY 2023-24. The National Statistics Organisation's (NSO) second advanced estimates reveal a robust 7.6% growth for the Indian economy in FY 2023-24, surpassing the 7.0% growth recorded in the previous financial year, a testament to the economy's resilience.

This growth momentum has been bolstered by positive macroeconomic indicators, improved labour market conditions, heightened urban demand, and increased government focus on capital expenditure in FY 2023-24. Notably, the Reserve Bank of India's (RBI) Monetary Policy Committee (MPC) has been a rock of stability, maintaining a steady policy repo rate of 6.5% throughout FY 2023-24. This steadfast commitment to a stable economic environment from the RBI's MPC instils confidence in the economy. The RBI remains steadfast in keeping headline inflation at 4% and has estimated an inflation rate of 5.4% for FY 2023-24.

An increase in private capital expenditure has driven this positive sentiment for economic growth in the country. An increase in private capital expenditure, enhanced business sentiments, and the solid financial standing of banks and corporations have driven this positive sentiment for economic growth in the country. The RBI has also projected a GDP growth rate of 7% for FY 2024-25. The global trade landscape has shown signs of improvement, and the increased integration into global supply chains is also expected to boost net external demand in India. However, potential challenges loom ahead, including geopolitical tensions, fluctuations in international financial markets, and geoeconomic fragmentation, which could threaten the overall economic outlook. Despite encountering challenges such as high-interest rates, fluctuations in commodity prices, and trade-restrictive measures, global trade has avenues for growth and adaptability.

OPPORTUNITIES AND THREATS

OPPORTUNITIES-

The textile industry is currently presented with diverse and promising opportunities. Rising global demand driven by a growing population and middle-class, coupled with increasing consumer awareness of sustainability, opens avenues for eco-friendly and innovative textiles. Technological advancements in smart fabrics and online retailing offer new market segments, while a shift towards circular economy practices and collaborations with fashion brands cater to environmentally conscious consumers. Embracing Industry 4.0 technologies and exploring technical textiles can enhance efficiency and tap into higher-value applications. The industry's adaptability and focus on research and development provide a fertile ground for expansion and innovation in the current period.

THREATS:

The textile industry faces several threats in the current period. Fluctuating raw material prices and supply chain disruptions pose challenges to cost management and production stability. Intense competition in pricing and customer base can erode profitability. Moreover, changing consumer preferences and demands require constant innovation and adaptation. Compliance with evolving environmental regulations and geopolitical uncertainties further add to the industry's complexities.

However, we are making all our efforts to mitigate these risks and concerns, and proactively develop risk management strategies, invest in research and development, stay adaptable to market changes, foster a culture of innovation, and prioritize sustainability practices throughout the operations.

SEGMENT WISE OR PRODUCT WISE PERFORMANCE

The Company has one segment of activity namely "Cotton Ginning". Hence, Accounting Standard on Segment Reporting (AS - 17) issued by the Institute of Chartered Accountant of India does not apply.

RISK AND CONCERNS

The company is subject to various business risks, both internal and external, as the growth of our industries is closely tied to the overall economic conditions. The primary risk that the business encounters is the potential impact of adverse changes in the economy. Additionally, the company faces significant competition in terms of pricing and attracting and retaining customers.

OUTLOOK

Our firm conviction lies in leveraging our strengths to establish a prominent position in the global textile industry, providing us with a competitive advantage. Over the years, we have cultivated enduring relationships with our clients, and our proven track record of delivering high-quality products throughout the textile industry further reinforces these bonds, leading to an upsurge in repeat business from our existing clientele.

Moreover, our customer base is spread across numerous countries and regions, which strategically reduces our dependence on any particular country or region. This diversification in clientele enhances our resilience and positions us to adapt more effectively to market fluctuations and changes in demand.

INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY

The Company has an adequate and efficient internal control system, which provide protection to all its assets against loss from unauthorized use and for correct reporting of transactions. The Company has put in place proper controls, which are

reviewed at regular intervals to ensure that transactions are properly authorized and correctly reported and assets are safeguarded. The Audit Committee of the Board addresses issue raised by Auditor. The internal control systems are implemented to safeguard the company's assets from loss and damages. To keep constant check on cost structure and to provide adequate financial and accounting controls and implement accounting standards. In addition to above, the Company has formulated a vigil Mechanism (Whistle Blower Policy) for its Directors and Employees of the Company for reporting genuine concern about unethical practices and suspected malpractices.

HUMAN RESOURCE MANAGEMENT

At our company, human capital is highly valued and regarded as a crucial asset integral to our overall success. We firmly believe that our employees are the cornerstone of our market achievements. To nurture a culture of excellence, we continuously invest in creating a work environment that enables individuals to reach their full potential and consistently exceed expectations.

We are committed to ensuring a safe, secure, and healthy working atmosphere for all employees. Our pursuit of excellence drives us to not only meet but surpass industry standards and our internal benchmarks for staff productivity and performance.

Employees and teams at all levels align their professional goals with the company's broader objectives, fostering a unified sense of purpose and direction. We aspire to be recognized as one of the leading employers in our industry.

Our industrial relations are marked by a harmonious and mutually respectful relationship between the company and its workforce. We deeply value the dedication, sincerity, and hard work of our employees and take pride in their contributions. Providing stable, long-term employment is a fundamental objective of our company.

As of March 31, 2024, the Company had 396 permanent employees on its payroll, reflecting our commitment to nurturing a skilled and dedicated workforce to drive our continued growth and success.

INDEPENDENT AUDITOR'S REPORT

TO
THE MEMBERS
M/S A B COTSPIN INDIA LIMITED
BATHINDA

Report on the Audit of Financial Statements

Opinion

We have audited the Ind AS Financial Statements of **M/S A B COTSPIN INDIA LIMITED, BATHINDA** ("the Company"), which comprise the Balance Sheet as at 31st March 2024, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as the "financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2024 and its profit and comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of financial statements in accordance with the Standards on Auditing ("SAs") specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. Our report does not include any key audit matter, as there was no matter of most significance which came to our notice during the Audit.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Annual Report 2023-24 but does not include the financial statements and auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- a) Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- b) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- c) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- d) Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- e) Evaluate the overall presentation, structure, and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because

the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Companies Act 2013, we give in the Annexure A statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

2. As required by Section 143(3) of the Act, and we report that:

a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;

b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;

c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and Statement of Cash Flow dealt with by this Report are in agreement with the books of account;

d) In our opinion, the aforesaid Financial Statements comply with the Ind AS specified U/s 133 of the Act;

e) On the basis of the written representations received from the directors as on 31st March 2024, and taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2024, from being appointed as a director in terms of sub section (2) of section 164 of the Companies Act, 2013.

f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B"; Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the company's internal financial controls over financial reporting.

g) With respect to other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended; In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with provision of section 197 of this Act.

h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:

- 1) The Company does not have any pending litigations which would impact on its financial position.
- 2) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- 3) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

- 4)
- i. The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - ii. The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - iii. Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- 5) No Dividend is declared or paid by the Company during the Year. Hence there is no noncompliance of Section 123 of the Companies Act 2013.
- 6) Based on our examination, which included test checks, the Company has used accounting software's for maintaining its books of account for the financial year ended March 31, 2024, which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software's. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with.
- 7) As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from April 1, 2024, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the financial year ended March 31, 2024.

ANNEXURE A REFERRED TO IN PARA 1 'REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS' IN OUR INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE COMPANY ON THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2024.

Statement on Matters specified in paragraphs 3 & 4 of the Companies (Auditor's Report) Order, 2020:

- i. (a) The company is maintaining proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.

(b) All Property, Plant and Equipment have been physically verified by the management during the year at regular intervals, which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed, which may require adjustments in the books of accounts of the company.

(c) The title deeds of immovable properties (i.e., Land & Building) are held in the name of the company.

(d) The Company has not revalued any of its Property, Plant and Equipment (including right of use assets) and intangible assets during the year.

(e) No proceedings have been initiated during the year or are pending against the Company as at March 31, 2024 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
- ii. (a) Physical verification of inventory has been conducted at reasonable intervals by the management. No material discrepancies were noticed on such verification which may require adjustments in the books of accounts of the company.

(b) According to the information and explanation given to us and on the basis of our examination of records of the company, the Company has been sanctioned working capital limits in excess of ₹ 5 Crore, in aggregate from banks or financial institutions on the basis of security of current assets. In our opinion, the drawing power of the Credit Facility available to the Company as per Books of Accounts exceeds the Credit Facility utilized by the Company, hence there is no contravention in this regard.
- iii. According to the information and explanation given to us and on the basis of our examination of the records, the Company has not made investments in, provided any guarantee or security, or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships, or any other parties. Hence Para (a), (b), (c), (d), (e), (f) of this clause are not applicable.
- iv. According to the information and explanation given to us and on the basis of our examination of the records, the company has given any loans, or provided any guarantee or security as specified under Section 185 of the Companies Act, 2013 and the Company has not provided guarantee or security as specified under Section 186 of the Companies Act, 2013. Further the Company has complied with the provision of the Section 186 of the Companies Act, 2013 in relations to loan given and investment made.
- v. In our opinion and according to the information and explanation given to us, the company has not accepted any deposits in contravention of the directives issued by the Reserve Bank of India and the provisions of sections 73 to 76 or any other relevant provisions of the Companies Act, 2013 and the rules framed there under, where applicable,

have been complied with. No order has been passed by the Company Law Board or National Company Law Tribunal or RBI or any court or any other tribunal.

- vi. We have broadly reviewed the cost records maintained by the Company pursuant to the Companies (cost Records and audit) Rules, 2014, as amended prescribed by the Central government under sub section (1) of section 148 of the Companies Act, 2013, are of opinion that, prime facie, the prescribed cost records have been made and maintained. We have, however, not conducted an examination of the cost records with a view to determine whether they are accurate or complete.
- vii. (a) According to the information and explanations given to us and the records examined by us, the company is regular in depositing undisputed statutory dues including good and services tax, provident fund, employees state insurance, income-tax, sales-tax, wealth tax, service tax, duty of customs, duty of excise, value added tax, Cess, and any other statutory dues to the appropriate authorities. There are no arrears of outstanding statutory dues as at the last day of the financial year concerned for a period of more than six months from the date they became payable.

(b) According to information and explanation given to us, there are no dues on account good and services tax, provident fund, employees state insurance tax, income tax or sales tax or wealth tax or service tax or duty of customs or duty of excise or value added tax or Cess, which have not been deposited on account of any dispute.
- viii. There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961(43 of 1961).
- ix. (a) According to the information and explanations given to us and based on the documents and records produced to us, the Company has not defaulted in repayment of borrowings to any lender.

(b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not been declared a willful defaulter by any bank or financial institution or government or government authority.

(c) According to the information and explanations given to us by the management, the company has obtained term loans during the year and the same was applied for the purpose for which loans were obtained.

(d) According to the information and explanations given to us and on overall examination of the balance sheet of the Company, we report that no funds which have been raised on a short- term basis by the Company have been used for long-term purposes.

(e) According to the information and explanations given to us and on overall examination of the financial statements of the Company, we report that the company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries as defined under the Companies Act, 2013. Accordingly, clause 3(ix)(e) of the Order is not applicable.

- (f) According to the information and explanations given to us and procedures performed by us, we report that the Company has not raised loans during the year on the pledge of securities held in its subsidiaries as defined under the Companies Act, 2013. Accordingly, clause 3(ix)(f) of the Order is not applicable.
- x. (a) No Fresh funds have been raised by way of initial public offer during the year. Accordingly, this clause of the Order is not applicable.
- (b) During the year, the Company has made preferential allotment of convertible warrants. In our opinion and according to the information and explanations given to us, the Company has complied with the requirements of section 42 and section 62 of the Act and the Rules framed thereunder with respect to the same. Further, the amounts so raised have been utilized by the Company for the purposes for which these funds were raised. During the year, the Company did not make preferential allotment/private placement of fully/partly or optionally convertible debentures
- xi. (a) During the course of our examination of the books of account and records of the Company, and according to the information and explanation given to us and representations made by the Management, no material fraud by or on the Company has been noticed or reported during the year.
- (b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and up to the date of this report.
- (c) We have taken into consideration the whistleblower complaints (if any) received by the Company during the year (and up to the date of this report), while determining the nature, timing, and extent of our audit procedures.
- xii. The Company is not a Nidhi Company and hence reporting under clause 3(xii) of the Order is not applicable.
- xiii. In our opinion and according to the information and explanations given to us the Company is in compliance with Section 177 and 188 of the Act, where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- xiv. (a) In our opinion the Company has an adequate internal audit system commensurate with the size and nature of its business.
- (b) We have considered, the audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, time and extent of our audit procedures
- xv. In our opinion and according to the information and explanations given to us, during the year the Company has not entered into any non-cash transactions with its Directors or persons connected to its Directors and hence provisions of Section 192 of the Act are not applicable.

- xvi.
- (a) In our opinion, the Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934, hence the provisions of paragraph 3(xvi)(a) of the Order are not applicable.
 - (b) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, clause 3(xvi)(b) of the Order is not applicable.
 - (c) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, clause 3(xvi)(c) of the Order is not applicable.

ANNEXURE – B TO THE INDEPENDENT AUDITOR’S REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of M/S A B COTSPIN INDIA LIMITED, BATHINDA (“the Company”) as of 31st March 2024 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that,

in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes forming part of the Standalone Financial Statements

1. COMPANY INFORMATION

AB COTSPIN INDIA LIMITED ("Company") is a Public Limited Company and was incorporated in 1997 with an objective of carrying on the business of Manufacturing and Trading of Yarns and other allied products. The Registered and Corporate Office of the Company is situated in Bathinda. The Company is a public limited company listed on the SME Exchange of NSE.

2. STATEMENT OF COMPLIANCE

These standalone financial statements have been prepared in accordance with the Indian Accounting Standards (referred to as "Ind AS") as prescribed under section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules as amended from time to time.

3. SIGNIFICANT ACCOUNTING POLICIES

3.01 Basis of Preparation

"These Financial Statements ('Financial Statements') of the Company have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs ('MCA') under Section 133 of the Companies Act, 2013 ('the Act') read with the Companies (Indian Accounting Standards) Rules, 2015, as amended and other relevant provisions of the Act. In addition, the guidance notes/announcements issued by the Institute of Chartered Accountants of India (ICAI) are also applied except where compliance with other statutory promulgation requires a different treatment.

The Ind AS Financial Statements comprise of the Balance Sheet as at year ended 31st March 2024, the Statement of profit and loss (including Other Comprehensive Income) for the year ended 31st March 2024, statement of cash flows for the year ended 31st March 2024 and Statement of changes in equity for the year ended on that date, and accounting policies and other explanatory information.

The Financial Statements were approved by the Company's Board of Directors and authorized for issue on 28th MAY 2024.

As required by Division II issued under Schedule III of the act, the company has presented the assets and liabilities in the Balance Sheet in the order of liquidity."

3.02 Basis of Measurement

"The Financial Statements have been prepared on going concern basis in accordance with accounting principles generally accepted in India to comply with Indian Accounting Standards (Ind AS) prescribed in Companies Act.

Certain accounting policies and disclosures of the Company require the measurement of fair values, for both financial and non-financial assets and liabilities. These statements are prepared under historical cost convention on accrual basis and also certain financial assets and financial liabilities which are measured at fair values at the end of each reporting period as mentioned in the relevant notes to accounts. The Company has an established control framework with respect to the measurement of fair values. The valuation team regularly reviews significant unobservable inputs and valuation adjustments.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in these financial statements is determined on this basis.

Fair value measurements under Ind AS are categorized as below based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Company can access at measurement date.
- Level 2 inputs are inputs, other than quoted prices included in level 1, that are observable for the asset or liability, either directly or indirectly: and
- Level 3 inputs are unobservable inputs for the valuation of assets/liabilities.

"When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorized in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

Further information about the assumptions made in measuring fair values is included in the following notes:

Note - investment property.

Note - share-based payment; and

Note - financial instruments.

The Balance Sheet and Statement of Profit and Loss are prepared and presented in the format prescribed in the Schedule III to the Companies Act, 2013 ("the Act"). The Statement of cash flows has been prepared and presented as per the requirements of Ind AS 7 "Statement of Cash flows". The disclosure requirements with respect to items in the Balance Sheet and Statement of Profit and Loss, as prescribed in the Schedule III to the Act, are presented by way of notes forming part of the Financial Statements along with the other notes required to be disclosed under the notified Accounting Standards.

Amounts in the Financial statements are presented in Indian Rupees rounded off in Lacs to two decimal places as permitted by Schedule III to the Companies Act, 2013 except otherwise stated. Per share data are presented in Indian Rupees to two decimals places.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle. Based on the nature of products and the time between acquisition of assets for processing and their realization in cash and cash equivalents. The operating Cycle has been taken to be 12 months. Deferred tax assets and deferred tax liabilities are classified as non-current assets and non-current liabilities, as the case may be.

3.03 Use of Key Accounting Estimates and Judgements

The preparation of the Financial Statements in conformity with Ind AS requires the Management to make estimates, judgement and assumptions that affect the application of accounting policies and the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities. The principal accounting estimates have been

described under the relevant income /expense and / or assets / liability item in the Financial Statements. The Management believes that the estimates used in the preparation of these Financial Statements are prudent and reasonable. Actual results could differ from these estimates. Continuous evaluation is done on the estimation and judgments based on historical experience and other factors, including expectations of future events that are believed to be reasonable.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only the period of the revision and future periods if the revision affects both current and future periods. Revisions to accounting estimates are recognized prospectively.

"Information about critical judgments in applying accounting policies, as well as estimates and assumptions that have the most significant effect to the carrying amounts of assets and liabilities within the next financial year, are included in the following notes:

- Measurement of defined benefit obligations - Note
- Measurement and likelihood of occurrence of provisions and contingencies - Note
- Recognition of deferred tax assets - Note
- Key assumptions used in discounted cash flow projections – Note
- Measurement of consideration and assets acquired as part of business combination - Note
- Impairment of Intangibles - Note "

3.04 Recent Accounting Developments

A. Application of newly amended Standards

On March 31, 2023, the Ministry of Corporate Affairs (MCA) notified Companies (Indian Accounting Standards) Amendment Rules, 2023 to further amend the Companies (Indian Accounting Standards) Rules, 2015 by making amendments to Ind AS 101 - First-time Adoption of Indian Accounting Standards, Ind AS 102 - Share-based Payment, Ind AS 103 - Business Combinations, Ind AS 107 – Financial Instruments:

Disclosures, Ind AS 109 – Financial Instruments, Ind AS 115 - Revenue from Contracts with Customers, Ind AS 1 - Presentation of Financial Statements, Ind AS 8 - Accounting Policies, Changes in Accounting Estimates and Errors, Ind AS 12 - Income Taxes and Ind AS 34 - Interim Financial Reporting; effective from 1 April 2023. Key amendments are as follows: -

1. Amendments to Ind AS 1 – Presentation of Financial Statements:

- A. The amendments aim to help entities provide accounting policy disclosures that are more useful by replacing the requirement for entities to disclose their 'significant' accounting policies with a requirement to disclose their 'material' accounting policies and adding guidance on how entities apply the concept of materiality in making decisions about accounting policy disclosures.
- B. The amendments have had an impact on the Group's disclosures of accounting policies, but not on the measurement, recognition, or presentation of any items in the Group's financial statements.

2. Amendments to Ind AS 12 – Income Taxes:

The amendments narrow the scope of the initial recognition exception under Ind AS 12, so that it no longer applies to transactions that give rise to equal taxable and deductible temporary differences such as leases.

The Group previously recognized for deferred tax on leases on a net basis. As a result of these amendments, the Group has recognized a separate deferred tax asset in relation to its lease liabilities and a deferred tax liability in relation to its right-

of-use assets. Since, these balances qualify for offset as per the requirements of paragraph 74 of Ind AS 12, there is no impact in the balance sheet. There was also no impact on the opening retained earnings as at 1 April 2022.

Amendments to Ind AS 8 – Accounting Policies, Changes in Accounting Estimates and Errors: The amendments clarify the distinction between changes in accounting estimates, changes in accounting policies and the correction of errors. It has also been clarified how entities use measurement techniques and inputs to develop accounting estimates. The amendments had no impact on the Group's consolidated financial statements."

B. Standards notified but not yet effective.

There are no amendments issued after the reporting date which are not yet effective up to the reporting date. The Company has not adopted any amendments that have been notified earlier but are not yet effective."

3.05 Property, Plant and Equipment

- The Company has elected to continue with carrying value of all its property, plant, and equipment as recognized in the Financial Statements as at date of transition to Ind AS and use the same as its deemed cost as at the date of transition.

- Property, plant, and equipment are stated at their cost of acquisition less accumulated depreciation and impairment (if any). The cost comprises the purchase price, borrowing cost and attributable cost of bringing the asset to its working condition for its intended use.

- The land used for the office buildings is stated at cost.

- Gains or losses arising on retirement or disposal of property, plant and equipment are recognized in the statement of Profit and Loss.

- The residual values, useful lives, and method of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

- Property, plant, and equipment which are not ready for intended use as on the date of Balance Sheet are disclosed as "Capital work-in-progress."

3.06 Depreciation and Useful Life

- Depreciation on Property, Plant and Equipment is provided on Written Down Value and computed on the basis of the useful life prescribed in Schedule II to the Companies Act, 2013 (Act) from the date the asset is ready to put to use.

- Depreciation on office building and investment properties is provided on Written Down value Method and computed on the basis of the useful life prescribed in Schedule II to the Act from the date the asset is ready to put to use.

- The residual value of 5% of Original Cost/Deemed Cost is considered for the Purpose of Calculating Depreciation rates. The residual values, useful lives and method of depreciation are reviewed at the end of each financial year.

- Depreciation is provided on a pro-rata basis in the year in which the assets are put to use.

- The Company has used rates to provide depreciation which coincide with the rates indicated in schedule II of the Companies Act 2013 on its fixed assets.

3.07 Capital Work in Progress and Intangible Assets under Development

- Property, Plant and Equipment which are not ready for intended use as on the date of Balance Sheet are disclosed as "Capital Work-in-Progress."
- Advances paid towards the acquisition of property, plant and equipment outstanding at each balance sheet date are classified as capital advances under other non-current assets."

3.08 Intangible Assets

- Intangible assets (Software) are stated at their cost of acquisition less amortization. The cost comprises of purchase price, borrowing cost, if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. These are amortized on Straight Line Method (SLM) over the useful life not exceeding 5 years from the date; the assets are available for use.

a. Impairment of Non-Financial Assets

"Assessment for impairment is done at each Balance Sheet date as to whether there is any indication that a non-financial asset may be impaired. Indefinite life intangibles are subject to a review for impairment annually or more frequently if events or circumstances indicate that it is necessary. For the purpose of assessing impairment, the smallest identifiable group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows from other assets or groups of assets is considered as a cash generating unit. Goodwill acquired in a business combination is, from the acquisition date, allocated to each of the Company's cash-generating units that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the acquiree are assigned to those units.

If any indication of impairment exists, an estimate of the recoverable amount of the individual asset/cash generating unit is made. Asset/cash generating unit whose carrying value exceeds their recoverable amount are written down to the recoverable amount by recognizing the impairment loss as an expense in the Statement of Profit and Loss. The impairment loss is allocated first to reduce the carrying amount of any goodwill (if any) allocated to the cash generating unit and then to the other assets of the unit, pro rata based on the carrying amount of each asset in the unit. The recoverable amount is higher of an assets or cash generating unit's fair value less costs of disposal and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset or cash generating unit and from its disposal at the end of its useful life. Assessment is also done at each Balance Sheet date as to whether there is any indication that an impairment loss recognized for an asset in prior accounting periods may no longer exist or may have decreased, basis the assessment a reversal of an impairment loss for an asset other than goodwill is recognized in the Statement of Profit and Loss account."

b. Investment Properties

- Investment properties are properties held to earn rentals or for capital appreciation, or both. Investment properties are measured initially at their cost of acquisition less accumulated depreciation and impairment, if any. The cost comprises of purchase price, borrowing cost, if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use.
- Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company. All other repair and maintenance costs are recognized in the Statement of Profit or Loss as incurred.

- An investment property is derecognized on disposal or when the investment property is permanently withdrawn from use and no future economic benefits are expected from the disposal. Any gain or loss arising on de-recognition of property is recognized in the statement of Profit and Loss in the same period.

- Investment properties are subsequently measured at cost less accumulated depreciation and accumulated impairment losses, if any. Depreciation on investment properties is provided on the Written Down Value method, computed on the basis of useful lives prescribed in Schedule II to the Act: The residual value, useful life and method of depreciation are reviewed at the end of the financial year.

3.11 Inventories

Inventories are valued at cost or net realizable value, whichever is lower. The cost in respect of the various items of inventory is computed as under:

- In the case of raw materials which are not ordinarily interchangeable at Standard Cost on Specific Identification of cost basis, in case of raw materials which are ordinarily interchangeable at FIFO method of cost i.e., Cost plus direct expenses. The cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition.

- In the case of stores and spares at Standard Cost on a weighted average cost basis i.e., Cost plus direct expenses. The cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition.

- In the case of work in progress at raw material cost plus conversion costs depending upon the stage of completion.

- In the case of finished goods at raw material cost plus conversion costs, packing cost, non-recoverable indirect taxes (if applicable) and other overheads incurred to bring the goods to their present location and condition.

- In the case of by-products at estimated realizable value Net realizable value is the estimated selling price in ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

3.12 Assets Held for Sale

Non-current assets or disposal groups comprising of assets and liabilities are classified as 'held for sale' when all of the following criteria's are met:

- (i) decision has been made to sell.
- (ii) The assets are available for immediate sale in their present condition.
- (iii) the assets are being actively marketed and
- (iv) Sales have been agreed or are expected to be concluded within 12 months of the Balance Sheet date.

Subsequently, such non-current assets and disposal groups classified as held for sale are measured at the lower of it carrying value and fair value less costs of disposal. Non-current assets held for sale are not depreciated or amortized."

3.13 Investments in Subsidiaries & Joint Ventures

Investments in subsidiaries and joint ventures are carried at cost less accumulated impairment losses, if any. Where an indication of impairment exists, the carrying amount of the investment is assessed and written down immediately to its recoverable amount. On disposal of investments in subsidiaries and joint venture, the difference between net disposal

proceeds and the carrying amounts are recognized in the Statement of Profit and Loss.

3.14 Revenue Recognition

Revenue is recognized based on the nature of activity when consideration can be reasonably measured and recovered with reasonable certainty. The Company applies revenue recognition criteria to each nature of revenue transaction as set out below:

a) Revenue from Contracts with Customers:

Pursuant to the application of Ind AS 115 – 'Revenue from Contracts with Customers' effective from 1 April 2018, the Company has applied following accounting policy for revenue recognition:

Revenue is measured at the fair value of the consideration received /receivable, taking into account contractually defined terms of payment, and excluding taxes or duties collected on behalf of the government and is net of rebates and discounts. The Company assesses its revenue arrangements against specific criteria to determine if it is acting as principal or agent. The Company has concluded that it is acting as a principal in all of its revenue arrangements.

Revenue is recognized in the income statement to the extent that it is probable that the economic benefits will flow to the Company and the revenue and costs, if applicable, can be measured reliably.

The Company has applied five step models as per Ind AS 115 'Revenue from contracts with customers' to recognize revenue in the Financial Statements. The Company satisfies a performance obligation and recognizes revenue over time, if one of the following criteria is met:

- The customer simultaneously receives and consumes the benefits provided by the Company's performance as the Company perform: or
 - The Company's performance creates or enhances an asset that the customer controls as the asset is created or enhanced: or
 - The Company's performance does not create an asset with an alternative use to the Company and the entity has an enforceable right to payments for performance completed to date.
- Revenue is recognized either at a point of time or over a period of time based on various conditions included in the contracts with customers.

b) Sale of goods:

Revenue from sales of goods is recognized as and when the Company satisfies performance obligations by transferring control of the promised goods to its customers.

c) Rendering of services

Revenue from a contract to provide services is recognized by reference to the stage of completion of the contract.

d) Dividend and interest income

- Dividend income from investments is recognized when the shareholder's right to receive payment has been established (provided that it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably).

- Interest income from a financial asset is recognized when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

e) Other Income

Other income is accounted for in accordance with IND AS 115 as and when the right to receive such income arises and it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably."

3.15 Government Grants

Capital Grants

- In the case of depreciable assets, the cost of the assets is shown at gross value and grant / contribution thereon is treated as Capital Grants.
- Government grants shall be recognized in Profit or Loss on a systematic basis over the periods of the useful life of the related asset.

Revenue Grants

-Government grants are recognized where there is reasonable assurance that the grant will be received, and all attached conditions will be compiled with. Government grants are recognized in profit or loss on a systematic basis over the periods in which the entire recognizes as expenses the related costs for which the grants are intended to compensate.

3.16 Employee Benefits

- Employee benefits include salaries, wages, provident fund, gratuity, leave encashment towards un-availed leave, compensated absences. Short-term employee benefits are recognized at their undiscounted amount in the accounting period in which they are incurred.

- Employees benefit under defined Contribution Plan comprises Employee Provident Fund under the provisions of Employees' Provident Fund and Miscellaneous Provisions Act, 1952, for which the Company contributes to the plan under the provisions of the said Act.

- Gratuity is a post-employment benefit and is in the nature of a defined benefit plan. The liability recognized in the balance sheet in respect of gratuity is the present value of the defined benefit/obligation at the balance sheet date, together with adjustments for unrecognized actuarial gains or losses and past service costs. The defined benefit/obligation is calculated at or near the balance sheet date by an independent actuary using the projected unit credit method. This is based on standard rates of inflation, salary growth rate and mortality. Discount factors are determined close to each year-end by reference to market yields on government bonds that have terms to maturity approximating the terms of the related liability. Service costs on the Company's defined benefit plan are included in employee benefits expense. Actuarial gains/losses resulting from re-measurements of the liability are included in other comprehensive income.

- Liability in respect of leave encashment i.e., compensated absences becoming due or expected to be availed within one year from the balance sheet date is recognized on the basis of discounted value of estimated amount required to be paid or estimated value of benefit expected to be availed by the employees. Liability in respect of compensated absences becoming due or expected to be availed more than one year after the balance sheet date is estimated on the basis of an actuarial valuation performed by an independent actuary using the projected unit credit method. Actuarial gains and losses arising from past experience and changes in actuarial assumptions are charged to the Statement of Profit and Loss in the year in which such gains or losses are determined."

3.17 Borrowing Cost

Borrowing costs that are attributable to the acquisition and/or construction of qualifying assets are capitalized as part of the cost of such assets during the period of time that is necessary to complete and prepare the assets for its intended use or sale. A qualifying asset is one that necessarily takes a substantial period of time to get ready for its intended use. All other borrowing costs are charged to the Statement of Profit and Loss.

3.18 Earnings Per Share

- Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting attributable taxes) by the weighted-average number of equities shares outstanding during the period. The weighted-average number of equities shares outstanding during the period is adjusted for events including A bonus issue.
- for the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted-average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

3.19 Accounting for Taxes on Income

- Tax expense for the year comprises of current tax, earlier year tax and deferred tax. It is recognized in the Statement of Profit and Loss except to the extent it relates to an item which is recognized directly in equity or in other comprehensive income.
- Current tax is the expected tax payable/receivable on the taxable income/ loss for the year using applicable tax rates at the Balance Sheet date, and any adjustment to taxes in respect of previous years.
- Deferred tax is recognized in respect of temporary differences between the carrying amount of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes. Deferred tax assets are recognized only to the extent that it is probable that future taxable profits will be available against which the asset can be utilized. Deferred tax assets are reviewed at each reporting date and reduced to the extent that it is no longer probable that the related tax benefit will be realized.
- Minimum Alternate Tax credit is recognized as deferred tax asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. Such an asset is reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer convincing evidence to the effect that the Company will pay normal income tax during the specified period.
- Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.
- Transactions or events which are recognized outside profit or loss, either in other comprehensive income or in equity, are recorded along with the tax as applicable.
- Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognized amounts and there is an intention to settle the asset and the liability on a net basis. Deferred tax assets and deferred tax liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities; and the deferred tax assets and the deferred tax liabilities relate to income taxes levied by the same taxation authority."

3.20 Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance Sheet date.

If the effect of the time value of money is material, provisions are discounted to reflect its present value using a current pre-tax rate that reflects the current market assessments of the time value of money and the risks specific to the obligation. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

Provision for onerous contracts. i.e. contracts where the expected unavoidable cost of meeting the obligations under the contract exceed the economic benefits expected to be received under it, are recognized when it is probable that an outflow of resources embodying economic benefits will be required to settle a present obligation as a result of an obligating event based on a reliable estimate of such obligation.

3.21 Lease

The Company's lease asset classes consist of leases for Land and Buildings, Plant & Equipment, Furniture and Fixtures & Office Equipment's. The Company assesses whether a contract is or contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

- To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether:
- The contract involves the use of an identified asset.
- The Company has substantially all of the economic benefits from use of the asset through the period of the lease and,
- The Company has the right to direct the use of the asset.

As a lessee

- At the date of commencement of the lease, the Company recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and leases of low value assets. Financial Statements recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

- The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses, if any. Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset.

- The lease liability is initially measured at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates. The lease liability is subsequently remeasured by increasing the carrying amount to reflect interest on the lease liability and reducing the carrying amount to reflect the lease payments made.

- A lease liability is remeasured upon the occurrence of certain events such as a change in the lease term or a change in an index or rate used to determine lease payments. The remeasurement normally also adjusts the leased assets.

3.22 Offsetting of Assets and Liabilities

The financial assets and financial liabilities are offset and presented on net basis in the Balance Sheet when there is a current legally enforceable right to set-off the recognized amounts and it is intended to either settle on net basis or to realize the asset and settle the liability simultaneously.

3.23 Cash and Cash Equivalents

Cash and cash equivalents comprise of cash in hand, demand deposits and short-term highly liquid investments that are readily convertible into a known amount of cash and which are subject to an insignificant risk of changes in value.

All financial liabilities are recognised initially at fair value and, in the case of amortised cost, net of directly attributable transaction costs.

3.24 Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit after tax is adjusted for the effects of transactions of a non-cash nature, any deferrals, or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows are segregated into operating, investing, and financing activities.

3.25 Financial Instruments

- A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

- Financial assets and financial liabilities are recognized when the Company becomes a party to the contractual provisions of the instrument. These statements are prepared under historical cost convention on accrual basis. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Transaction costs that are directly attributable to the acquisition or issue of financial instruments (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognized immediately in profit or loss. Subsequently, financial instruments are measured according to the category in which they are classified.

3.26 Financial Assets

All recognized financial assets are subsequently measured in their entirety at either amortized cost using the effective interest method or fair value, depending on the classification of the financial assets.

Classification of financial assets

Classification of financial assets depends on the nature and purpose of the financial assets and is determined at the time of initial recognition. The Company classifies its financial assets in the following measurement categories:

- Those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and those measured at amortized cost.

- The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.
- A financial asset that meets the following two conditions is measured at amortized cost unless the asset is designated at fair value through profit or loss under the fair value option:
 - Business model test: the objective of the Company's business model is to hold the financial asset to collect the contractual cash flows.
 - Cash flow characteristic test: the contractual term of the financial asset gives rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.
- A financial asset that meets the following two conditions is measured at fair value through other comprehensive income unless the asset is designated at fair value through profit or loss under the fair value option:
 - Business model test: the financial asset is held within a business model whose objective is achieved by both collecting cash flows and selling financial assets."
 - Cash flow characteristic test: the contractual term of the financial asset gives rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.
- All other financial assets are measured at fair value through profit or loss."

3.27 Trade Receivables and Loans

Trade receivables that do not contain a significant financing component are measured at transaction price as per Ind AS 115.

Subsequently, these assets are held at amortized cost, using the effective interest rate (EIR) method net of any expected credit losses. The EIR is the rate that discounts estimated future cash income through the expected life of financial instrument."

3.28 Debt Instruments

Debt instruments are initially measured at amortized cost, fair value through other comprehensive income ('FVOCI') or fair value through profit or loss ('FVTPL') till derecognition on the basis of (i) the entity's business model for managing the financial assets and (ii) the contractual cash flow characteristics of the financial asset.

Measured at amortized cost: Financial assets that are held within a business model whose objective is to hold financial assets in order to collect contractual cash flows that are solely payments of principal and interest, are subsequently measured at amortized cost using the effective interest rate ('EIR') method less impairment, if any. The amortization of EIR and loss arising from impairment, if any is recognized in the Statement of Profit and Loss.

Measured at fair value through other comprehensive income: Financial assets that are held within a business model whose objective is achieved by both, selling financial assets, and collecting contractual cash flows that are solely payments of principal and interest, are subsequently measured at fair value through other comprehensive income. Fair value movements are recognized in the other comprehensive income (OCI). Interest income is measured using the EIR method and impairment losses, if any, are recognized in the Statement of Profit and Loss. On derecognition, cumulative gain or loss previously recognized in OCI is reclassified from the equity to 'other income' in the Statement of Profit and Loss.

Measured at fair value through profit or loss: A financial asset not classified as either amortized cost or FVOCI, is classified as FVTPL. Such financial assets are measured at fair value with all changes in fair value, including interest income and

dividend income if any, recognized as 'other income' in the Statement of Profit and Loss."

3.29 Investments in Equity Instruments

All investments in equity instruments classified under financial assets are initially measured at fair value, the Company may, on initial recognition, irrevocably elect to measure the same either at FVOCI or FVTPL.

The Company makes such election on an instrument-by-instrument basis. Fair value changes on an equity instrument are recognized as other income in the Statement of Profit and Loss unless the Company has elected to measure such instrument at FVOCI. Fair value changes excluding dividends, on an equity instrument measured at FVOCI are recognized in OCI. Amounts recognized in OCI are not subsequently reclassified to the Statement of Profit and Loss. Dividend income on the investments in equity instruments are recognized as 'other income' in the Statement of Profit and Loss."

3.30 Derivatives Financial Instruments

The Company uses derivative financial instruments to hedge its foreign currency and commodity risks. Derivatives are measured at fair value. The treatment of changes in the value of derivative depends on their use as explained below:

a) Cash Flow Hedges

Derivatives are held to hedge the uncertainty in timing or amount of future forecast cash flows. Such derivatives are classified as being part of cash flow hedge relationships. For an effective hedge, gains, and losses from changes in the fair value of derivatives are recognized in other comprehensive income. Any ineffective elements of the hedge are recognized in the statement of profit and loss.

If the hedged cash flow relates to a non-financial asset, the amount accumulated in equity is subsequently included within the carrying value of that asset. For other cash flow hedges, amounts accumulated in other comprehensive income are taken to the statement of profit and loss at the same time as the related cash flow.

When a derivative no longer qualifies for hedge accounting, any cumulative gain or loss remains in equity until the related cash flow occurs. When the cash flow takes place, the cumulative gain or loss is taken to the statement of profit and loss. If the hedged cash flow is no longer expected to occur, the cumulative gain or loss is taken to the statement of profit and loss immediately."

b) Derivatives for which hedge accounting is not applied.

Derivative financial instruments for which hedge accounting is not applied are initially recognized at fair value on the date on which a derivative contract is entered and are subsequently measured at FVTPL.

c) Offsetting Financial Instruments

Financial assets and financial liabilities are offset, and the net amount is reported in the balance sheet, if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle them on a net basis or to realize the assets and settle the liabilities simultaneously.

d) Derecognition

Revenue is measured at the amount of consideration which the Company expects to be entitled to in exchange for transferring distinct goods or services to a customer as specified in the contract, excluding amounts collected on behalf of third parties (for example taxes and duties collected on behalf of the government).

Consideration is generally due upon satisfaction of performance obligations and a receivable is recognised when it becomes unconditional.

e) Impairment of Financial Assets

Expected credit losses are recognized for all financial assets subsequent to initial recognition other than financial assets in FVTPL category.

For financial assets other than trade receivables, as per Ind AS 109, the Company recognizes 12 month expected credit losses for all originated or acquired financial assets if at the reporting date the credit risk of the financial asset has not increased significantly since its initial recognition. The expected credit losses are measured as lifetime expected credit losses if the credit risk on financial asset increases significantly since its initial recognition. The Company's trade receivables do not contain a significant financing component and the loss allowance on trade receivables is measured at an amount equal to lifetime expected losses i.e., expected cash shortfall.

The impairment losses and reversals are recognized in the Statement of Profit and Loss.

3.31 Financial Liabilities

a) Initial recognition and measurement +

Financial liabilities are recognized when the Company becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the amortized cost unless at initial recognition, they are classified as fair value through profit and loss. In the case of trade payables, they are initially recognized at fair value and subsequently, these liabilities are held at amortized cost, using the effective interest method.

b) Subsequent Measurement

Financial liabilities are subsequently measured at amortized cost using the EIR method. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognized in the Statement of Profit and Loss.

c) Derecognition

Financial liability is derecognized when the obligation specified in the contract is discharged, cancelled, or expires.

3.32 Foreign Currency Transactions

- The financial statements are presented in Indian Rupees ('INR'), which is also the Company's functional currency. All amounts have been rounded off to the nearest rupee.

- Transactions in foreign currencies are recorded at the exchange rate prevailing on the date of transaction.

- Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency closing rates of exchange at the reporting date. Exchange differences arising on settlement or translation of monetary items are recognized in Statement of Profit and Loss except to the extent of exchange differences which are regarded as an adjustment to interest costs on foreign currency borrowings that are directly attributable to the acquisition or construction of qualifying assets which are capitalized as cost of assets.

3.33 Segment Reporting

An Operating Segment is the level at which discrete financial information is available. Business segments are identified considering:

- a) the nature of products and services
- b) the differing risks and returns
- c) the internal organization and management structure, and
- d) the internal financial reporting systems.

Revenue and expenses directly attributable to segments are reported under each reportable segment. Exceptional items and other expenses which are not attributable or allocable to segments are disclosed separately. Assets and liabilities that are directly attributable or allocable to segments are disclosed under each reportable segment. All other assets and liabilities are disclosed as un-allocable assets and liabilities."

3.34 Business Combination

Business combinations are accounted for using the acquisition accounting method as at the date of the acquisition, which is the date at which control is transferred to the Company. The consideration transferred in the acquisition and the identifiable assets acquired and liabilities assumed are recognized at fair values on their acquisition date. Goodwill is initially measured at cost, being the excess of the aggregate of the consideration transferred and the amount recognized for non-controlling interests, and any previous interest held, over the net identifiable assets acquired and liabilities assumed. The Company recognizes any non-controlling interest in the acquired entity on an acquisition-by-acquisition basis either at fair value or at the non-controlling interest's proportionate share of the acquired entity's net identifiable assets. Consideration transferred does not include amounts related to settlement of pre-existing relationships. Such amounts are recognized in the Statement of Profit and Loss.

Transaction costs are expensed as incurred, other than those incurred in relation to the issue of debt or equity securities. Any contingent consideration payable is measured at fair value at the acquisition date. Subsequent changes in the fair value of contingent consideration are recognized in the Statement of Profit and Loss."

General Description of the Plan

The Entity operates gratuity plan through a trust wherein every employee is entitled to the benefit equivalent to fifteen days salary last drawn for each completed year of service. The same is payable on termination of service or retirement, whichever is earlier. The benefit vests after five years of continuous service. In case of some employees, the Entity's scheme is more favourable as compared to the obligation under Payment of Gratuity Act, 1972.

Fair Value Hierarchy

Level 1: Quoted prices in the active market. This level of hierarchy includes financial assets that are measured by reference to quoted prices in the active market.

Financial assets and liabilities measured at fair value - recurring fair value measurements

Particulars	As at 31 March 2024			
	Level 1	Level 2	Level 3	Total
Financial Assets

The Fair value of the financial instruments are determined at the amount that would be received to sell an asset in an orderly transaction between market participants. The following methods and assumptions were used to estimate the fair values:

Investments in Mutual Funds: Fair value is determined by reference to quotas from the financial institutions, i.e. net asset value (NAV) for investments in mutual funds declared by mutual fund house.

Investment in Preference shares/debentures (If any): Fair value is determined by reference to quotes from fund houses/portfolio management services companies i.e. value of investments.

Quoted Equity Investments: Fair value is derived from quoted market prices in active markets.

Unquoted Equity Investments (If any): Fair value is derived on the basis of net asset value approach, in this approach the net asset value is used to capture the fair value of these investments."

B. Market Risk

Market Risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market prices comprise three types of risk: foreign currency risk, interest rate risk, investment risk.

(a) Interest Rate Risk

Interest rate risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's debts obligations with floating interest rates.

As the Company has no significant interest-bearing assets, the income and operating cash flows are substantially independent of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's debt obligations with floating interest rates, which are included in interest bearing loans and borrowings in these financial statements. The Company's fixed rate borrowings (If any) are carried at amortised cost. They are therefore not subject to interest rate risk, since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.

(i) Exposure to Interest Rate Risk

Particulars	Rs. in Lacs	
	As at 3 March 2024	As at 31 March 2023
Borrowing bearing variable rate of interest	12,166.76	9,809.32
Total	12,166.76	9,809.32

(ii) Sensitivity Analysis

The Company analyse the data on reasonable basis to prevent any abnormal loss which may happen due to external & internal factors.

(b) Foreign Currency Risk

The Company have no major exposure in Foreign Currency.

(i) Exposure to Foreign Currency Risk

The Company have no major exposure in Foreign Currency.

(ii) Sensitivity Analysis

The Company analyse the data on reasonable basis to prevent any abnormal loss which may happen due to external & internal factors.

Other Price Risk

The Company maintain adequate inventory to mitigate the exceptional price change in the raw material procured by the Company.

C. Credit Risk

Credit risk refers to the risk of default on its obligation by the counterparty resulting in a financial loss. The maximum exposure to the credit risk at the reporting date is primarily from trade receivables which are typically unsecured. Credit risk on cash and bank balances is limited as the Company generally invests in deposits with banks and financial institutions with high credit ratings assigned by credit rating agencies. Investments primarily include investment in liquid mutual fund units, bonds, fixed maturity plan etc. issued by institutions having proven track record. The Company's credit risk in case of all other financial instruments is negligible.

The Company assesses the credit risk based on external credit ratings assigned by credit rating agencies. The Company also assesses the creditworthiness of the customers internally to whom goods are sold on credit terms in the normal course of business. The credit limit of each customer is defined in accordance with this assessment. Outstanding customer receivables are regularly monitored and any shipments to overseas customers are generally covered by letters of credit.

The impairment analysis is performed on client-to-client basis for the debtors that are past due at the end of each reporting date. The Company has not considered an allowance for doubtful debts in case of trade receivables that are past due but there has not been a significant change in the credit quality and the amounts are still considered recoverable.

Basis of Categorisation	Asset Class Exposed to Credit Risk	Provision for ECL
Nature wise	Financial Assets	Nil

D. Liquidity Risk

The financial liabilities of the Company, other than derivatives, include loans and borrowings, trade and other payables. The Company's principal sources of liquidity are cash and cash equivalents and the cash flow that is generated from operations. The Company monitors its risk of shortage of funds to meet the financial liabilities using a liquidity planning tool. The Company plans to maintain sufficient cash and marketable securities to meet the obligations as and when fall due.

Note:

The Company have availed CC Limits, Pledge Limits and WCDL from Various Banks.
